

# File Search Algorithm Performance Report

This report presents the performance of different file search algorithms with and without rereading the file on each query.

File Size	REREAD_ON_QUERY	Avg Response Time (seconds)	Queries per Second
10000	False	0.0991	10.09
100000	False	0.0965	10.36
1000000	False	0.0954	10.48
10000	True	0.0983	10.18
100000	True	0.0978	10.23
1000000	True	0.0993	10.07
